Tensorflow
Selenium / Scrapy / BeautifulSoup
OpenCV

Profile

Motivated university undergraduate student seeking an opportunity in data analytics. As a Kaggle Expert, I have experience working with complex datasets and utilizing a variety of data analytics techniques. My proficiency in data analytics and machine learning has enabled me to develop strong problem-solving skills and apply them to real-world scenarios. I am committed to leveraging my skills to help organizations make data-driven decisions and achieve their goals. As a dedicated and hardworking individual,

Employment History

Data Science Intern, ProximaAI, Karachi

During my internship at ProximaAI, I had the opportunity to work on a diverse range of projects involving the creation of meaningful dashboards, data scraping, and the application of machine learning techniques to solve various problems. This write-up aims to provide an overview of my responsibilities, accomplishments, and the skills I gained during my time at ProximaAI.

Accomplishments

During my internship at ProximaAI, I accomplished the following:

1. Developed intuitive and informative dashboards that improved data accessibility and facilitated decision-making for clients.
2. Successfully implemented web scraping techniques to gather relevant data from diverse sources, ensuring the accuracy and integrity of the collected information.
3. Contributed to the development of machine learning models that enhanced the company's predictive capabilities and delivered actionable insights to clients.
4. Presented data analysis findings in a clear and concise manner, enabling stakeholders to make informed decisions based on the results.
5. Collaborated effectively with the team, actively participating in discussions and bringing innovative ideas to the table.

Education

Matriculation, BGSS, Karachi

JANUARY 2016 – DECEMBER 2017

Intermediate, Govt. Degree Boys College

JANUARY 2018 – DECEMBER 2019

BSSE (Undergraduate), University of Karachi (UBIT), Karachi

JANUARY 2020 – PRESENT

Courses

Python For Everbody, Coursera

Data Analyst In Power BI, DataCamp

Machine Learning Specialization, Coursera

SQL, DataCamp

Statistics For Data Science & Business Analytics, 365DataScience

Advanced SQL, Kaggle

Internships

Data Science Intern, ProximaAI, Karachi
